

CSE 283

WEEKLY PLAN

MONDAY- READING & CONCEPT CHECK

Complete the reading assignment in Zybook. Check your understanding by completing the zybook activity until you get them all correct. This prepares you to complete HW.

TUESDAY- LIVE LECTURE & HW

Meet with your professor and classmates in Blackboard. We will use this time to check in, cover weekly contents, do activities and answer any questions you have. Make sure to get started on your HW.

THURSDAY- LIVE LECTURE & HW

Meet with your professor and classmates in Blackboard. We will use this time to check in, cover weekly contents, do activities and answer any questions you have. Make progress on your HW.

FRIDAY- HW SUBMISSION

Meet with the TA if required and complete your HW to submit by the midnight. Make sure to end the week with a reflection activity that will help you think about what you have learned over the past week and what you need to put more focus on.

SATURDAY- CONEPT CHECK QUIZ

Read the materials covered in the last week and check your understanding with the given quiz. Take it as many times as you need to get 100% correct.
